Algonquin is our park. It inspires dreams and makes memories that last a lifetime. It identifies us as Canadians to the world. Help us get the message out about logging in Algonquin. Let's protect the park forever.

Most Ontarians don't even know that Algonquin is at risk from logging. It's illegal in Ontario's 630 protected areas. But in spite of the law, it still goes on in Algonquin. Only 22% of Algonquin is off limits to logging.

Donate \$1.99, 2.99, 3.99 or more and help us get real protection for Algonquin.
